Hi [REDACTED]

Yes, really good news, but doesn't materially affect our position that we discussed on Monday.

The main issues to discuss on Friday will be the access road and any other plans for the site which may affect the cumulative impact elements of our planning application.

Happy to speak through in more detail next week, if helpful.

Thanks,

Subject: Gartree

Hi [REDACTED]

I spotted this article today:

[MoJ wins planning wrangle over new prison \(civilserviceworld.com\)](https://www.civilserviceworld.com)

Good news for you, I think!

I know our director has a meeting with [REDACTED] a week today re Wethersfield. I am not sure whether the Gartree decision really changes anything (and my own team's immediate concern is with refs in the EIA screening to future proposals) but if there's any more we should know before next Fri, let me know.
